### **Check-In Options**

United Airlines provides several convenient check-in options at Washington Dulles to accommodate different passenger preferences:

- **Traditional Counters:** Located in the check-in area, these counters are staffed by United Airlines personnel who can assist with luggage check-in, issuing boarding passes, and addressing any travel-related questions. This option is ideal for passengers who prefer face-to-face interaction or need additional assistance.
- **Self-Service Kiosks:** For a quicker, more autonomous check-in process, self-service kiosks are available. Passengers can use these kiosks to check in, select seats, and print boarding passes independently, which streamlines the process and reduces wait times.
- **Online Check-In:** Passengers can check in online via the United Airlines website or mobile app up to 24 hours before their departure. This option allows travelers to check in from the comfort of their home or on the go. Those who check in online can drop off their luggage at the dedicated bag drop counters upon arrival at the airport, making the entire process more efficient.

## **Security and Customs**

Washington Dulles International Airport is equipped with advanced security screening technologies and staffed by well-trained personnel to ensure an efficient and thorough security process. Passengers are advised to arrive at least two hours before their flight for domestic travel and three hours for international flights to allow ample time for check-in, security screening, and any necessary customs procedures. United Airlines offers TSA PreCheck lanes for eligible passengers, expediting the security process.
