Supplies:

Enough Felted wool, either knitted and felted or try an old woolen sweater felted to cut a 7 ½" diameter circle for base of bag and 6" x 23 ¾" long piece for lower half of bag.

Cotton or desired fabric, 10 ½" X 23 ¾" long for top half of bag.

40" of 5/8" wide cotton twill tape for drawstring . . . or desired medium

Matching thread, pins, sewing machine. If you have a locking stitch ,use it, especially on the side seam where the casing opens.

Have all pieces cut to size as stated, pressed and ready to go. ½" seam allowance used

- Sew top and lower half pieces together along the long edge. Press. Topstitch.
- With right sides together sew the body, leaving 2 ½" open from the top (to form casing)
 - Press ¼" in along this open edge and topstitch.
- Fold and press ¼" on top edge of the bag body..fold down another 1", press and sew along the lower edge to form casing.
- Carefully pin the body to the circle (bag bottom) adjusting where necessary,sew and then zigzag for a neat inner seam.
 -
