Otanjoubi Omedetou!

Happy Birthday!

Selamat Ulang Tahun!

Wish you all the best!

You are my ichiban in Versailles!

I love your style, guitar skill & personality!

I never listen to Versailles's song before,
but when I first listen to your guitar in

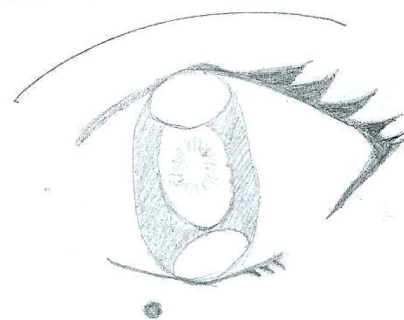

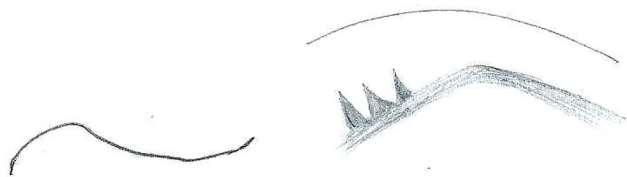

「Aristocrat's Symphony」

Suddenly I become addicted to Versailles!

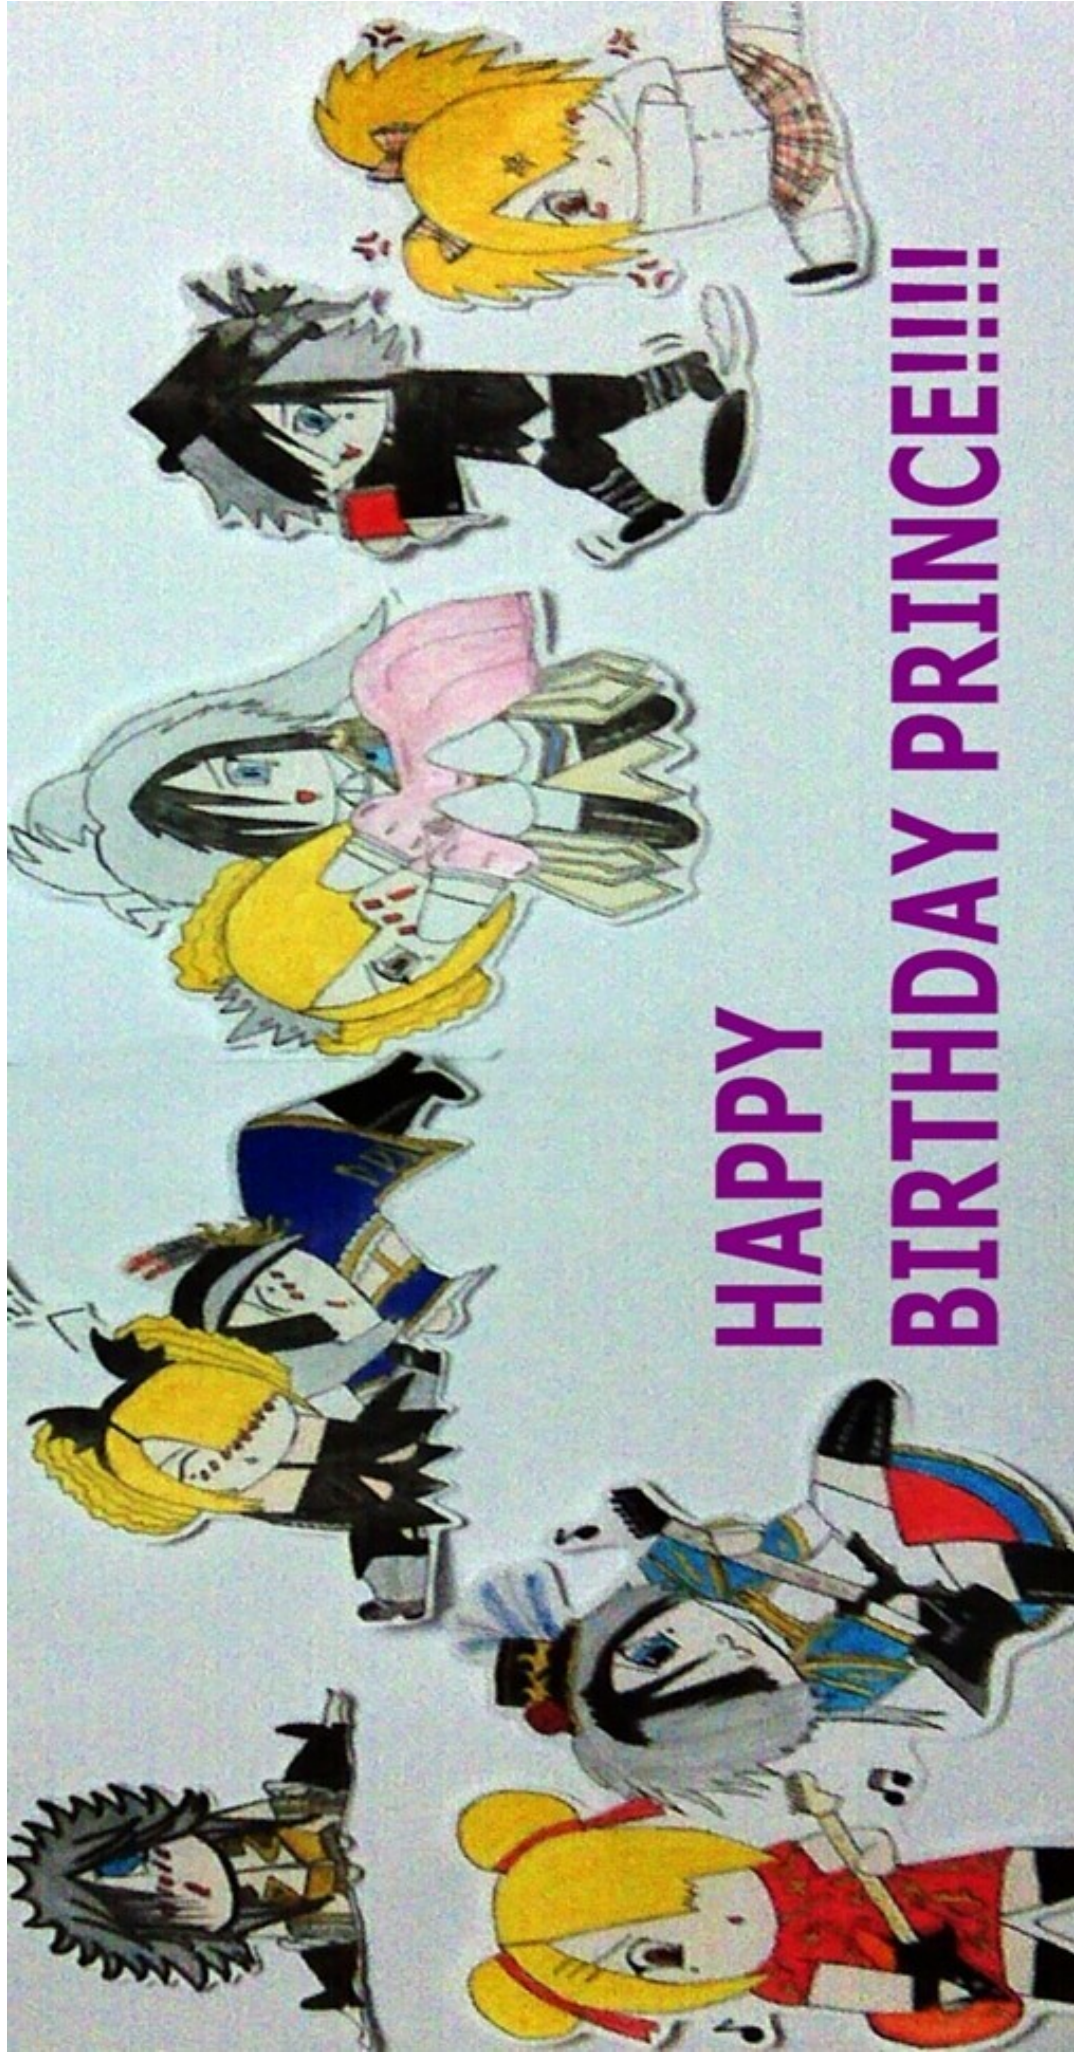

I'm waiting for Versailles to held a concert in
"Indonesia"

Hope you will become World Best Visual kei band!

Otanjoubi Omedetou!!
